

Classic Retro 24" Propane Gas Range (LPG & NG Convertible)

Premium cooking performance for cabins, cottages, and off-grid kitchens - without giving up style.

Waist-High Broiler

3.75 cu. ft. Oven Capacity

Up to 18,000 BTU

Why You'll Love it:

- **Perfect for Smaller Spaces:** A 24" freestanding design that brings full-size performance to apartments, condos, and compact kitchens.
- **Spacious 3.75 cu. ft. Oven Capacity:** Ideal for everyday meals or hosting family and friends. Easily cook multiple dishes at once.
- **Powerful 4-Burner Cooktop:** Includes an 18,000 BTU high-performance burner for fast boils, perfect sears, and high-heat cooking versatility.
- **Reliable Battery-Operated Ignition:** 1.5V ignition system delivers dependable startups without the need for an external power source.
- **Professional-Style Details:** A knurled stainless-steel handle and sleek contemporary knobs offer a premium look with enhanced grip and precise temperature control.
- **Convertible Gas Flexibility:** Easily converts from LPG to Natural Gas with included conversion kit.
