

Classic Retro 30" Propane Gas Range (LPG & NG Convertible)

Premium cooking performance for cabins, cottages, and off-grid kitchens - without giving up style.

Waist-High Broiler

5.1 cu. ft. Oven Capacity

Up to 18,000 BTU

Why You'll Love it:

- **Full-Size 30" Freestanding Design:** A perfect fit for standard kitchen layouts, delivering powerful propane performance with timeless style.
- **Spacious 5.1 cu. ft. Oven Capacity:** Generous interior space makes it easy to cook large meals, multiple dishes, and holiday favorites with confidence.
- **Dependable 1.5V Battery-Operated Ignition:** Ensures consistent, hassle-free ignition without requiring an external power source.
- **Professional-Style Details:** A knurled stainless-steel handle and sleek contemporary knobs offer a premium look with enhanced grip and precise temperature control.
- **Continuous Cast-Iron Grates with 4 Sealed Burners:** Delivers even, reliable heat with easy-clean spill containment, while providing a stable surface for smooth pan movement across burners.
- **Convertible Gas Flexibility:** Easily converts from LPG to Natural Gas with included conversion kit.
